Benefit of the Month / Advocacy

This is probably one of the most important benefits you may never even know is taking place. ACCO is constantly reviewing, attending and submitting requests, recommendations and legal opinions to ensure the most advantageous climate and policies for our members. We interact with state elected officials and government agencies almost daily as well as keeping ahead of issues that will affect you.

SAVE THE DATE! ACCO/PHCC OHIO LEGISLATIVE DAY!

TUESDAY JUNE 6 / COLUMBUS STATEHOUSE

Join your fellow members as we meet with our elected legislators to discuss residential licensing. Before heading to the Statehouse, we will hold a briefing to prepare you for our meetings.

Together, with strength in numbers, we'll take our pro-business message to the Statehouse.
