

ACCO Industry Partners

I am ACCO...

"ACCO gives me a competitive edge to stay ahead of my competition"

"My membership has helped in meeting new contacts at the Annual Expo"

"ACCO is one of this industry's very best sources of information, networking, and continuing education"

"My membership has led to business contacts that resulted in new business opportunities"

"My company is able to participate in quality programs and gain valuable information"

"I save money each month with the Speedway Fuel Program"

IT'S OFFICIAL! ACCA Ohio is now the Air Conditioning Contractors of Ohio (ACCO). ACCA, at the National level, made the business decision to "dis-affiliate" all local and state chapters from ACCA. What does this mean for contractors? It means that your company will not be required to be a member of all three levels in order to participate in ACCO.

As a member of ACCO, you will have access to all the features of membership. Now more than ever, businesses are looking for opportunities to cut costs and reduce expenses. ACCO has several programs available only at the state level specifically designed to do just that. Many of our programs are discounted or enhanced for ACCO members only.

The ACCO Officers and Board of Directors looks forward to continuing to provide quality services and programs and welcomes your input as the association moves through the transition process.

Please contact us directly at 800-353-2226 if you have any questions or concerns.
