Chagrin Falls, OH (November 17, 2015) The Air Conditioning Contractors of Ohio is pleased to announce that *R.E. Michel Company* has joined the ACCO Industry Partner Program for 2016 at the Patron Level.

The Industry Partner Program enables suppliers and manufacturers to demonstrate extraordinary commitment to ACCO and its members through year-round support of the association's activities. Industry Partners financial resources help ACCO expand advocacy, membership and business development activities for members throughout the year.

"ACCO is thrilled that R.E. Michel has joined the Industry Partner Program for 2016," says Rocco Fana, Jr., ACCO's executive director. "The exclusive benefits from the Industry Partnership Program provide recognition to ACCO contractors, as well as the public, as a leader in the HVACR Industry."

"As a contractor member of ACCO, it's great to see the Industry Partner program growing each year," adds Brian Stack, Stack Heating and Cooling, and ACCO's 2015-2016 president. "The companies that participate in the Program are true leaders in our industry. Their support of ACCO shows that they are committed to the continued growth of our contractors and the entire industry. All of our members should be pleased that our Industry Partners are willing to step up and give the extra support we need to ensure that contractors have the best resources to be professional and profitable year after year."

Supplier and manufacturers can join the ACCO Industry Partner program at any point during the year. For more information about the Industry Partner program, contact Rocco Fana at rocco@acchoio.org.
