What is the Contractors Coalition Ohio PAC 892? Ohio PAC 892 is your Political Action Committee. ACCO and PHCC Ohio members unite to support the best qualified, pro-business candidates at the state level.

Why should I contribute? Your contribution has a multiple impact when added to the contributions of other ACCO and PHCC Ohio members. With so much of your time spent on your livelihood, you alone can't influence local elected officials. Our PAC is strength in numbers - the more members who support it, the stronger our clout in the political process.

Why can't the PAC use my dues money? Under various campaign laws, the use of member dues to help elect candidates to office is strictly prohibited. Those who give, do so voluntarily. They realize a pro-business agenda is essential to their bottom line.

Does our PAC favor Democrats or Republicans? Your PAC is completely independent and bipartisan. Candidates who receive PAC support are evaluated strictly on their merits.

Who determines which candidates receive PAC support? Members like you and a joint Committee of ACCO and PHCC members governs which candidates receive PAC support.
