Benefit of the Month / License Bond Program

The ACCO Bond Program allows members to purchase HVAC, plumbing, sewer and water bonds at a discounted cost for all municipalities in which they work.

The program is underwritten by Federated Insurance with the guidance and support of ACCO. The association works very closely with Federated and municipalities throughout Ohio to insure that the bond program covers member needs.

HB 339 The residential licensing bill, now known as the *Reform Law Regulating Construction Contractors* was introduced on September 11 by Co-Sponsors Rep. Schaffer and Rep. Hagan. To read the full bill [CLICK HERE...](#)
