Legislative Update

> We continue to urge the staffs of our sponsors, Reps. Schaffer and Hagan, to convene a meeting of interested parties and key stakeholders regarding the Residential Contractor Licensing bill (HB 339). No one has been around the offices after session recess. We will attempt to do so once again as quickly as everyone returns to the Statehouse (Mid-January). The returning legislature will not be a new session, but a continuation of the existing session, so our bill remains in place.
