Benefit of the Month / Workers Comp Group Rating

Workers Comp Group Rating ACCO group rating allows companies in the HVACR industry to “group” their claims history together. By grouping members with few or no claims, all businesses enrolled in our group can earn the BWC maximum discount on your premium.

Group rating enables ACCO members to save significantly on workers’ compensation premiums (up to the BWC maximum available discount). ACCO members save an average of \$4,000 with our program (Available to contractors and associates of any size).

Legislative Update We held our meeting with key interested parties and sponsors regarding the residential contractor licensing bill (HB 339). The issue remains the same: installers on new residential construction. We hope to receive promised language and definitions from direct energy to get in agreement and move the bill along.

ACCO Strategic Planning Session the ACCO Board of Directors held a one day planning session on Feb 20. The plan will be our guide over the next 3 years. The plan will focus on the following components: Membership/Image, Education, Advocacy and Organizational Structure.
