### Benefit of the Month / e.Learning Apprenticeship Program

ACCO now offers online plumbing and HVACR apprentice courses for apprentices who want a non-classroom based method of receiving their apprenticeship instruction. This program is recognized by the U.S. Department of Labor, Employment & Training Administration, Office of Apprenticeship, and is approved by the Ohio State Apprenticeship Council.

Each course is the equivalent of one year of classroom instruction. On-the-job training must be coordinated with a participating employer.

For more information call 800-353-2226 or email [rocco@accohio.org](mailto:rocco@accohio.org)

**New Fire Prevention Checklist from Federated** investigations reveal that most fires can be prevented if businesses consistently pay attention to a few, very specific hazards. To help you and your employees make it home safely each day, Federated Insurance has created this new resource: a customizable, [fire prevention checklist](#). This sample checklist helps you identify and implement fire prevention practices that are needed most and can significantly impact your business.
